8 FARRINGTON: With me having to do all this outside work,

10 (Laughing)
11 LEE: I (UI)...little chocolate now and then.
12 FARRINGTON: (Laughing)
13 LEE: As long, as long as it's all in the right place.
14 FARRINGTON: (Laughing) (UI).
15 LEE: Where are you?
16 FARRINGTON: I'm in, ahh, Pleasant Grove, but, ahh,
17 listen...
18 LEE: (UI)
19 FARRINGTON: ...I need you to, I need you to, I need
20 you to think about something, okay?
21 LEE: What?
22 FARRINGTON: On, on our deal with BRIAN?
23 LEE: Uh-huh.
24 FARRINGTON: You know, I told you we were gonna have
25 him put the security report together? And you, you

1 know, we, we and we're not gonna turn into BRIAN on,
2 nothing like that has happened. But, I want, oh, you
3 know, how I, how I told you MARK and JEFF kind of block
4 that, you know, how they get all territorial about, you
5 know, they don't want any, you know, they, you can
6 feel that they just don't, they don't want, they wanta
7 make sure nobody make more money than them.

8 LEE: Who is that? Who you speaking about?

9 FARRINGTON: On, on, on our deal. On (UI)...

10 LEE: (UI) about Mark. Uh-huh.

11 FARRINGTON: Uh-huh, uh-huh. Listen to me. He is,
12 he, he, he, he is conclusively sure that there is drug
13 activity on that property right now.

14 LEE: Uh-huh.

15 FARRINGTON: Now, but....

16 LEE: (UI)

17 FARRINGTON: ...but listen, but MARK and JEFF are
18 telling BRIAN that everything is copasetic, everything
19 is just fine, and that the Dallas PD, the little
20 officers that they have there are, are just, everything
21 is just fine. But he is 100% sure that there is drug
22 activity going on on that property.

23 LEE: Uh-huh.

24 FARRINGTON: Right now. And so, I'm telling you
25 because you the man, so you supposed to make it, make

1 it work. Tell BRIAN, you know, what you need to tell
2 him, this is a part of what our service is.
3 LEE: Okay.
4 FARRINGTON: So, so, so...
5 LEE: Hold on for a minute. This is BRIAN, this is
6 BRIAN calling me now, hold on.
7 FARRINGTON: Okay.
8 LEE: BRIAN?
9 BRIAN POTASHNIK (POTASHNIK): Hey, D'ANGELO, how you
10 doing?
11 LEE: Good. I'm on, I'm on, ahh, I'm getting on 75
12 off of 635, so I should be at your place in about 10
13 minutes.
14 POTASHNIK: Alright. I'm not gonna be there till, ahh,
15 'bout 3:00.
16 LEE: Oh, you say 3:00 now? Okay.
17 POTASHNIK: It's 20 to three right? What time is it?
18 LEE: Yeah, it, yeah it's 2:37. That's cool. So,
19 just come to your office at 3:00?
20 POTASHNIK: Yeah, I'll see you at three.
21 LEE: Okay. That's cool.
22 POTASHNIK: Alright.
23 LEE: I'll see you at three.
24 (Pause)
25 LEE: Hello?

1 FARRINGTON: Yeah.

2 LEE: Okay.

3 FARRINGTON: So,...

4 LEE: That was...

5 FARRINGTON: ...so. Yeah that was BRIAN?

6 LEE: Yeah. I was supposed to meet him at (UI). I

7 told him...

8 FARRINGTON: So you think about, you think about how

9 we can work this. Alright?

10 LEE: Okay.

11 FARRINGTON: And we need to work, we need to work

12 this. And the rea, you know we need to work this and,

13 and, and, you know, we get them in, get them in and look

14 it, FARRINGTON AND ASSOCIATES get a, get a fee from them.

15 LEE: Right. So he, he's 100% sure...

16 FARRINGTON: He's 100...

17 LEE: ...that drug (UI) of which MARK and his guys

18 are saying that there, you know, there's no drug

19 activity on there.

20 FARRINGTON: Well they saying that, you know, everything

21 is just fine and, you know, the police, Dallas PD is

22 doing just a fine job. But you and I know they just

23 sitting there eating doughnuts. And then, he con, he,

24 he confirmed that.

25 LEE: What is, what is proof that there's drug activity?

1 FARRINGTON: He has, he, they, he, I told you they,
2 his people would stake that place out. I asked him
3 to. (Noise) To stake it out and, ahh, and tell me
4 what's happening over there.

5 LEE: Oh, okay, 'cause they, they've been staking it
6 out recently?

7 FARRINGTON: Yeah.

8 LEE: Okay. Alright.

9 FARRINGTON: Yeah, yeah.

10 LEE: Is there anything specifically I can share with
11 BRIAN?

12 FARRINGTON: Well I, I mean I don't wanta, you know, he
13 is reluctant to give us his informa 'cause he know
14 that folk are gonna just take it and run off with it
15 and then go get another security company. But he'll
16 give it to me. And, so, we have that.

17 LEE: Okay. Have we (UI)....

18 FARRINGTON: We'll, we can have, we have that
19 conclusive.

20 LEE: Have we presented a budget to him, ahh, to
21 BRIAN about, how much, how much is (UI)? I'll find
22 that out.

23 FARRINGTON: Ahh, BRIAN is paying the police officers
24 \$30.00 an hour.

25 LEE: Ahh, 24 hours a day?

1 FARRINGTON: Huh?

2 LEE: Twenty-four hours a day?

3 FARRINGTON: Yeah. \$30.00 an, \$30.00 an hour.

4 LEE: And, and it's on the what?

5 FARRINGTON: For how, for how, for however many hours

6 (noise) and he can beat that price. (Noise) And he

7 has armed officers.

8 LEE: (UI)...

9 FARRINGTON: He, (UI). He has a real,...

10 LEE: (UI)...

11 FARRINGTON: ...he has a real security company where

12 he can have the, you know, ahh (UI), ahh, armed officers

13 and everything. He's the only black one in this area

14 that (noise) that can do that; that has a license to

15 carry, to have armed officers.

16 LEE: Okay. I'm, (UI) I'm gonna be, ahh, with him in

17 about 20 minutes.

18 FARRINGTON: And I'm telling you about it so that....

19 LEE: Right.

20 FARRINGTON: ...you know, let's work it.

21 LEE: Right. I got you. I understand.

22 FARRINGTON: Okay.

23 LEE: I got it.

24 FARRINGTON: As soon, as soon as I, as soon as I get

25 close, I, I'm just trying to, I'm just trying to, you

1 know, do it all synchronized and all this stuff I got on
2 my plate today, but soon as I get close to the office,
3 if you're not there, I'll just leave it at, somewhere in
4 there and I'll tell you where it is.

5 LEE: Okay. That'll be good.

6 FARRINGTON: Okay, but I, I, it's in my purse right
7 now. I, I've had it. And you just didn't wanta feed
8 me last night that's all. You just didn't want feed
9 me last night. You didn't wanta give me a (UI) a
10 mumbo or nothing. You should just said it instead of
11 getting all funny about it.

12 LEE: (UI) well, I guess you (UI)...

13 FARRINGTON: Huh?

14 LEE: I guess you know how I felt.

15 FARRINGTON: (Laughing)

16 LEE: I'm like dang, do I stink or something (UI)....

17 FARRINGTON: (Laughing)

18 LEE: I couldn't even get a like a drive by.

19 FARRINGTON: (Laughing)

20 LEE: (UI). I mean, not a sit-down, but a drive-by. I
21 said okay.

22 FARRINGTON: What'd you say? Do I stink or
23 something? (Laughing)

24 LEE: I, no I'm saying do I stink. I said I can't
25 even get a drive by.

1 FARRINGTON: (Laughing)

2 LEE: You know? That's okay. (UI)....I (UI) I said

3 hopefully everything will change.

4 FARRINGTON: I was looking forward to it too. I had

5 my mouth...

6 LEE: (UI)

7 FARRINGTON: ...I had my lips ready for a mumbo. I

8 was in a mumbo mind set.

9 LEE: (UI). I, I, I haven't had, I haven't had one

10 in a bit.

11 FARRINGTON: In a who?

12 LEE: I haven't one in a bit.

13 FARRINGTON: Oh, you really did. You, so you, you

14 know. Well that's okay you can watch me have it.

15 (Laughing)

16 LEE: Alright. (UI). I, I know how to celebrate

17 with others.

18 FARRINGTON: (Laughing)

19 LEE: I know how to celebrate.

20 FARRINGTON: See that's, you just didn't want me to

21 celebrate by myself. I mean, you just didn't wanta sit

22 there and watch me do the mumbo and you'd just be

23 (UI). You should've just said that. You didn't have

24 to avoid me.

25 LEE: Well you might be true on that one now 'cause

1 you know that may be, that, that's a (UI).
2 FARRINGTON: (Laughing)
3 LEE: You, you may have spoken some truth there now.
4 FARRINGTON: (Laughing)
5 LEE: You figure that may have been, that may have
6 been, the, when, you know, you, you speaking on that
7 one now.
8 FARRINGTON: (Laughing)
9 LEE: I feel like I still don't have strength over
10 that one yet.
